MORTIMER COMMUNITY SCHOOL

Reading Road, South Shields, NE33 4UG

Agreement Between Home and School

SCHOOL AIMS AND VALUES

Mortimer Community College believes in excellence for all. All members of Mortimer Community are entitled to work in an environment where there is respect for one another, learning is valued and there is access to the opportunities necessary to fulfil potential.

Success and effort is valued and celebrated.

Mortimer believes that every student is entitled to:

- have the opportunities necessary to thrive and succeed
- learn in an environment that is calm, supportive and caring
- have a curriculum that meets their needs
- develop as an independent learner
- celebrate and enjoy their successes
- have access to 'leading edge' technology
- have the opportunity to join in activities that happen outside of the regular college day
- education is a partnership between schools, children and their parents

Responsibility of Parents

We ask our parents in order to support your child's education to:

- ensure that their child is in school on time
- inform us as soon as possible about any absences
- ensure that their child is dressed appropriately and brings any necessary equipment to school
- attend parents meeting to discuss their child's progress
- inform us of any issues at home which may affect their child's work or behaviour
- support us in our policies and rules

- support their child with reading and homework
- treat school staff and each other with respect
- encourage their child to become independent and responsible
- encourage their child to treat others with respect and consideration at all times
- be a good role model for their children
