

# La Feria Challenge

As part of #MFLTakeover day we would like to challenge you to design your own 'Feria en casa' (A feria in your home).

## It should include:

- What food and drink would there be?
- What activities would be involved?
- What music would play?
- What dance would people do?

You can either plan it using drawings and labels or write a paragraph describing it.

**Challenge yourself to include as much Spanish as possible!**

Please send your designs to [gjohnstone@mortimercommunitycollege.co.uk](mailto:gjohnstone@mortimercommunitycollege.co.uk)

**The most creative designs that include Spanish will be displayed during the next academic year.**
