What: Safeguarding Staff Knowledge Quizzes

How we are going to do this?

For today's safeguarding CPD can **ALL STAFF** (teaching, non-teaching and office staff) use the time given (20minutes) to complete the 2 short multi choice safeguarding quizzes using the links below. This is to allow the safeguarding team to audit staff's future CPD needs based on the results received.

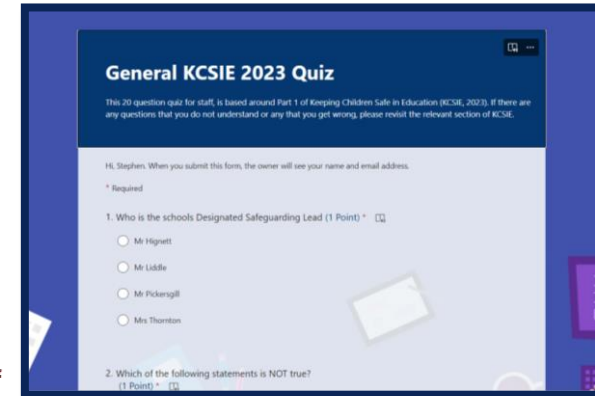

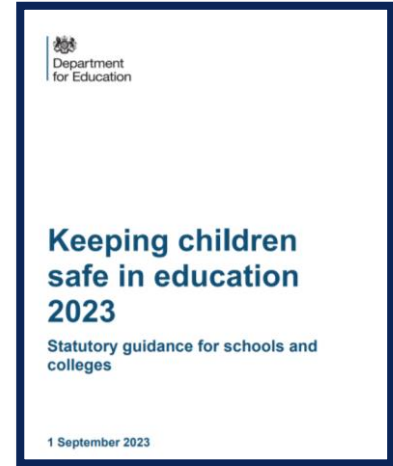

Step 1 - Please complete the digital register - [click here](#)

Step 2 - Complete the two safeguarding quizzes (links below).

Results are anonymous, so please don't worry if there are questions you get wrong. Feedback is provided on most incorrect answers should you have any.
