EXTRA CURRICULAR ACTIVITIES - 2026/27

Mortimer

Life at Mortimer is about much more than lessons. We offer a comprehensive extra curricular programme that caters to all interests and skills!

Our aim is to provide clubs that every student can enjoy and take something from, giving them the opportunity to learn and gain new experiences beyond the classroom.

The majority of our clubs take place after school (15:10 - 16:10). Please look out for individual announcements from teachers running each club for more information.
